

International Education Recruitment Specialists

Established in 2001, m2r Education is a multi award winning UK based firm offering a quality and ethical recruitment service to international organisations within the education sector.

Our clients are viewed as valuable partners and cover the entire education spectrum. Our aim is to develop long lasting relationships and help them grow by providing the best talent possible via an excellent customer experience.

- Accredited international schools (UK, US, IB)
- FE colleges
- HE institutions
- ESL training centres (Incl online ESL)
- Corporate training providers
- Education technology companies

Our expertise within education recruitment is considerable. We cover all the major continents, plus all subjects, disciplines and sectors are covered too. We can also provide document attestation, visa and relocation services, via our carefully chosen strategic partners. No matter what your requirement, we can help.

Having been recognised by the British Government, overseas embassies and trade bodies for international recruitment services as well as winning numerous international business awards, you are certainly in the right place when it comes to education recruitment.

Testimonials

"The personal and professional service offered is of a consistently high quality no matter the number of teachers required. The level of feedback is fast and the organisation of interviews is very efficient. They will go the extra mile to find you what you are looking for in new hires"

Principal, The English Academy, Kuwait

Multi Award Winning Expertise

We understand the challenges of sourcing international staff. Deadlines are tight, competition is fierce.

We will work with you to ensure you meet your staffing deadlines.

Our team has a passion for education, has considerable international exposure and above all, want to help.

Whether you need us to support on a one off or large scale project, we have the experience to assist.

With a UK head office and strategically located international partners, we can supply you with highly qualified candidates from across the globe to meet your specific demands.

If you are looking for a professional, ethical education recruitment partner, then contact us now for more information.

"m2r Education were amazing throughout the entire process. From the first phone call right through to my successful appointment and even during the first few weeks of the job. Great advice and I felt they genuinely wanted to see me be successful."

Ian, Sales Consultant, Educational Technology, UK

"For each vacancy we have had, they have been detailed and thorough in their mapping of our requirements and their candidates are always of a high calibre as a result. Post-interview feedback is acted upon in a timely manner, and the team is fully supportive throughout the onboarding process. I have no reservation whatsoever in recommending m2r Education."

Managing Director, LADO Business English Specialists, Taiwan

"I would like to say a huge thank you to m2r Education for being so helpful throughout the process of getting a job in the Middle East, no matter what day or what time it was, if I contacted I did not have to wait at all in order to get a response! They also followed up after I got to my destination to check if everything was ok with me . . . honestly the best agency I have dealt with!"

Sarah, ESL Teacher, Saudi Arabia

"m2r Education has delivered high quality candidates and has sourced teachers, middle leaders and a senior leader, therefore possessing a diverse network of contacts. Candidates are well prepared for interview and timelines are monitored, with opportunity for immediate feedback. I have no hesitation in recommending their services."

Principal, GEMS Cambridge International School, Uganda

"I am very happy that I submitted my resume to m2r Education. My Consultant was always professional and offered me lots of advice. I would like to take this opportunity to thank m2r education for allowing me to secure my dream job in Doha. I am so excited to start this chapter of my life. I would 100% recommend m2r Education."

Chelle, EYFS Teacher, Qatar
